e-commerce app & website

NotebookSTORE.in Introducing India's first online e-commerce platform where each and every individual can make a peaceful & long-term career with it. NotebookSTORE.in is one of the best source of active & passive income its a easy way for getting employment as well as can avail the benefits of shopping to buy needful & best quality products of stationary, books & educational toys. We are committed to provide you the best & top brands products. Our online shopping helps in reducing the cost of products, so less affluent people can also afford the best quality products.

Our responsibility with the ethical process of business our moral responsibility towards our country is 100% Literacy & 100% Employment. We NotebookSTORE.in believe in the power of recognition and empowerment leading to great business engagement have a mission of 100% Employment as well as 100% Literacy. As we have a mission of 100% Literacy in India which not only includes Academic Education but also Moral Education which is missing from the system & is highly important to have in upcoming Future of the world. Our mission & dream is to educate 100% children. Want to serve underdeveloped schools by providing them school stationery, books educational toys for the same we are working effectively.

NotebookSTORE.in has a vision not only to reduce the unemployment but also want to reach to each and every family across the country to increase their active and passive income. Our vision is ethical establishment of every individual. We believe that it creates the peace of mind somewhere and the people who have a peace also have more probability to think for their family, friends & country. Our vision is to create the ethical culture where people can think & work on their moral responsibilities and create a social aura in their society. After having a passive income they have enough source and time to educate their families in a right manner also they can spend the healthy & friendly time with each other. Our vision is to create cultural change in the field of employment.

Our Vision to engage more and more affluent people not only of the same line but also of any field who want to be the part of this positive mission for the establishment of every needy individual. This mission required the support and for the same our vision is on.

Our Vision is day by day improvement so that our process of online shopping helps in reducing the cost of products, so less affluent people can also afford the best quality products.

Our Vision is to provide the maximum availability of required quality products of stationary, Books & Educational Toys to everyone.

✓ Used Books Are More Useful

Used books are more useful for protecting the environment by reusing a valuable things as well as cost efficient for everyone. As we have a mission of 100% Literacy in our country so in this direction we are requesting to the people to come out together to help and support in this mission. We are presenting the opportunity to sale or donate the used books to NotebookSTORE.in to help those who actually need it.

- ✓ A Person is a combination of above five elements Water, Earth, Space, Air, Fire but Personality of the Person is completely based on there tendency. Each element educate us according to there tendency. Because we as a Person is a combination of these five elements then we need to understand that there tendency is also inbuilt. This is extremely required to introspect our self to understand the reality of the person. We should create the positive aura of these learning tendency around us and work accordingly to improve the way of Person to Personality.

NotebookSTORE.in pleased to present the different and dynamic way of ethical earning not only this but also the process of connecting people is extremely easy and very interesting and mutual engagement of people create the positive cultural change to build the helping environment in the society. Everyone can shop & Anyone can earn.

In our country huge and increased population is one of the biggest reason of unemployment but as said mutual engagement of this huge population create the positive cultural change to build the helping environment and this environment can create the sources of positive employment. NotebookSTORE.in presenting the dynamic business opportunity and open the new ways of positive and ethical employment the employment where any of the individual can start the work with full time as well as part time to generate there active and passive income with it. NotebookSTORE.in will be the source for not only the fulfillment of the basic financial requirement of the needful people but also any individual can be enable there self to grow or achieve there financial as well as social dreams.

NotebookSTORE.in presenting one of the best source of long term active and passive income with the simplest way of people engagement just to enrolled the people with a easy process as same as making friends on Facebook called a merchant enrollment process just to recruit the people across the country and get them understand the process & products with the simple training or communication. Connecting process make the business engagement more effective, fast & frequent. NotebookSTORE.in will help or assist to each and every individual to enable them for there establishment. As we are dealing in Stationary, Books & Educational Toys so base of the earning of every individual is completely based on the purchase of the products. Maximum purchase generate maximum revenue and maximum revenue create more earning. The best part of NotebookSTORE.in is peaceful employment & needful shopping buy the best quality products on lowest price. Our Vision is to provide the maximum availability of required quality products of Stationary, Books & Educational Toys to everyone.

✓ Referral Process

Although our website and application directly used by anyone for the shopping of our given products stationary, books & educational toys but with this we are introducing a concept where everyone can shop & anyone can earn. NotebookSTORE.in presenting the referral process where one member who has download the notebook store app as self or by any reference can directly or indirectly appoint or recruit to another member under a referral code with the given referral process and make a direct or indirect team under that referral code is called referral process. Referral process is just to enrolled the people with a easiest process as same as making friends on Facebook just like send a merchant request to anyone and same to accept or reject that request by another one called a merchant enrollment process subject to downloaded NotebookSTORE.in app. Its not a pyramid kind of structure where things seems unrealistic or hypothetical where the base of the earning is not so much practical.

We as a NotebookSTORE.in belief that there is no shortcut of the success we belief that success comes with Discipline, Dedication and Performance. Always need to work hard dedicatedly with the extreme level of positive attitude, Always have a transparency and it should be in a practical manner, Always be supportive and get the people understand in a big way more then this enable people to make them independent to build there confidence high but before this it should be more important to work on your own establishment, work hard on a regular bases to get your self more educate and trained to compete the competition under the timeline to create the positive culture, Always be kind, Always be loyal, Always be ethical, Always think big but it should be realistic, Always have a admirable dreams but it should be approachable, Always be aggressive but keep the patience as required, Always ready to take the risk but it should be calculative, Always have a big goal but achieve the same to make the targets in a small – small steps. Always work fearless with the personal feeling of your professional life to enhance and establish the professional productivity for the peace of personal life, Have faith on you that's we are NotebookSTORE.in

We NotebookSTORE.in as a customer oriented organization committed to serve the faith, committed to serve the transparency, committed to serve the safe, bright and long term career, committed to serve the peace of satisfaction, committed to serve the source of active as well as passive income, committed to serve the good quality products. Our primary job is to serve anything ethical which is under the rules for the establishment of required and needful people. As already said its not a pyramid kind of structure where things seems unrealistic or hypothetical where the base of the earning is not so much practical. As our referral process is practically aliened and frequent.

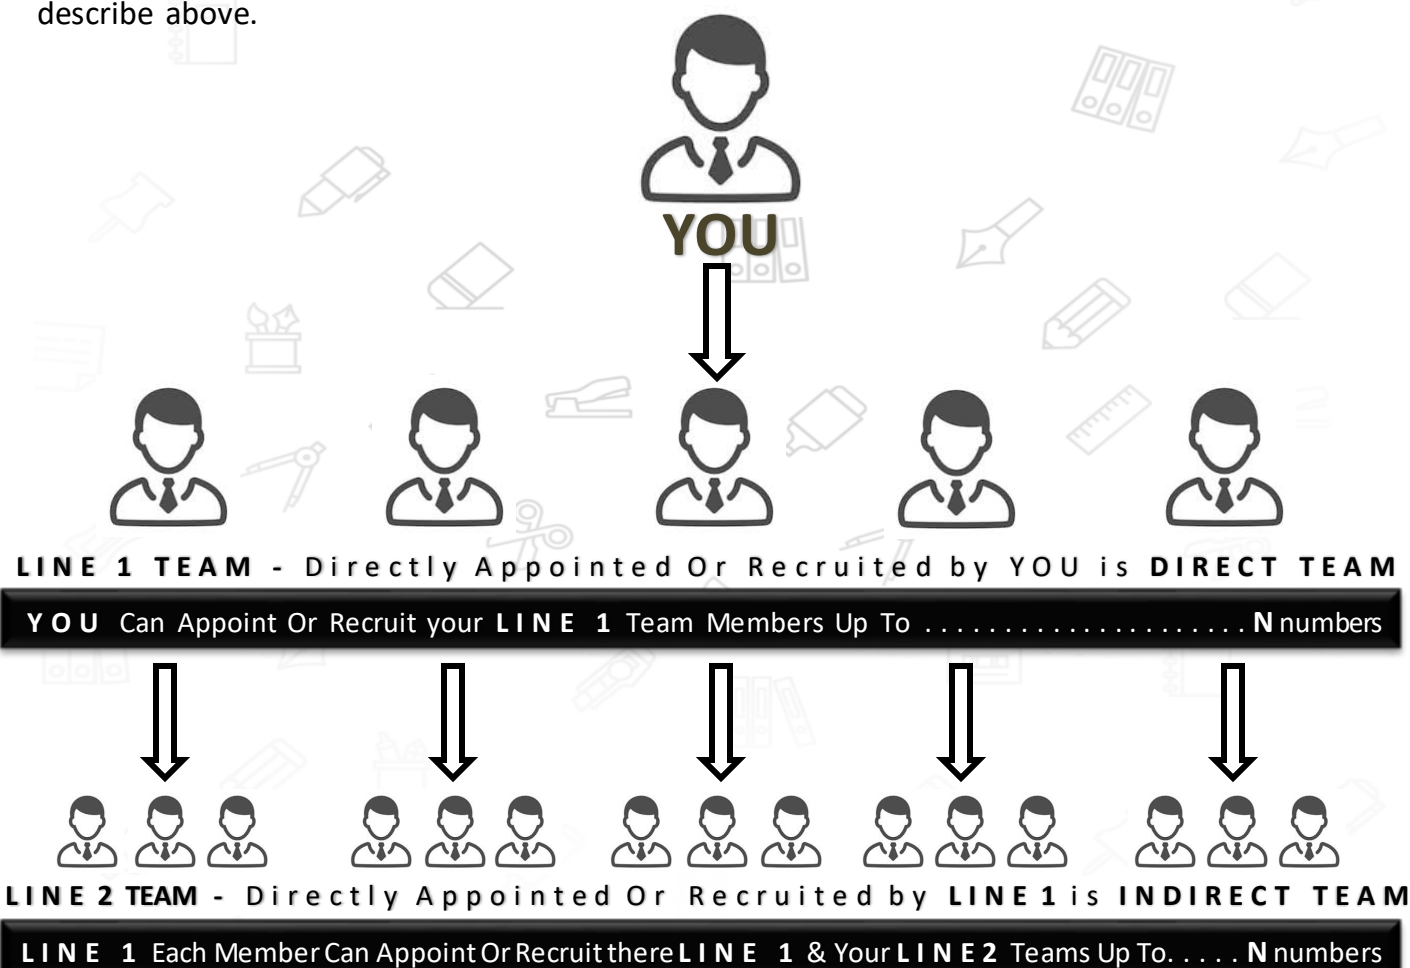

✓ Referral Graph

In a referral process you can appoint or recruit your team or team members directly as well as indirectly. The team or team members directly appointed by you under your referral code will be your Direct Team or LINE 1 Team as shown in the below graph.

The team or team members which is appointed by LINE 1 Team or by any LINE 1 Team member under any of the referral code of any LINE 1 team member will be your indirect team or LINE 2 Team as shown in the below graph.

You will get the benefits of the purchases of LINE 1 & LINE 2 team as per decided the grid of profit percentage by NotebookSTORE.in and your purchase will be benefited for the member who appoint you also your purchase gives the benefit to the member who appoint your appointing member.

You can be a independent member also not appointed or recruited by any reference or where you can independently download the NotebookSTORE.in app for the purchasing and where you can get all the benefits of the purchase of your down line team that's LINE 1 and LINE 2 as describe above.

✓ Working Culture

Healthy and learning working culture is one of the most important part for the growth of any organization. We as a NotebookSTORE.in trying to work on a same way.
